

EAGLES HIT FOR REGIONAL

Flashing through a 28-13 bi-district win over Spur, the Canyon Eagles will face the Stamford Bulldogs at 2 p. m. Friday in Childress for the regional championship and the right to play in the state quarter-finals. Tickets to the game are on sale at the Canyon Drug, The Pharmacy and at the high school.

Reserved seats are \$1.50 and student tickets are 50 cents. Canyon has only 800 reserved seats in the small Childress stadium. Student tickets must be purchased in Canyon because they will not be on sale at the gate. Canyon has the north side of the Childress stadium, which runs east and west.

The defending state champions, Stamford has an impressive string of 28 consecutive victories. They downed Perryton 27-0 last week in a bi-district game in Childress. The Bulldogs have never lost a game in Childress.

During the 1956 season, including the Perryton game, Stamford has scored 391 points to 68 for their opponents. The Eagles have scored 355 points to 103 during their nine-win, two-loss season.

Canyon will be without the services of halfback Don Britain, who was injured in the second quarter of the Spur game. His knee injury will keep him out of play this

week, Coach Guy Harrison said. The Eagles will probably also play without tackle Richard Burgess, who suffered a shoulder injury in the Olton game.

The tape holding his shoulder tight was taken off this week, but he probably will not be up to top form by Friday.

The Eagles are planning to leave for Childress Thursday and will work out on the field there. They will stay overnight there.

The brightest star in the Bulldog backfield is 165-pound Mike McClellan, No. 33, the chief ground gainer for Stamford. Because of his speed he is an ever-present threat both on defense and offense. McClellan broke the back of the Perryton team last week on an 80-yard intercepted-pass runback.

Tackle Dale Robinson, No. 74, who weighs in at 185, suffered a bruised hip in the Perryton game that may keep him sidelined at least part of the time. Several months ago he got in the way of a shot put and his hip hasn't healed completely. His specialty on the Stamford team is a raging defense that sees him playing in the opponents' backfield much of the time.

Although he saw little action against Perryton, Kenneth Ivy, No. 22, is a consistent ground gainer for Stamford. He

weighs only 141 pounds. A cousin, Larry Ivy, No. 44, is a blocking back who is good on defense and on occasion will carry the ball. He weighs 143 and sometimes kicks off.

Robert Hardin, No. 20, 147 pounds, substitutes for McClellan, but hasn't seen much action this year. He was instrumental in the 46-12 victory over Quanah.

Stanley Hill, No. 25, 159 pounds, was hot Friday against Perryton, while Donald Davis, No. 35, 159 pounds, played very little in the Perryton game. Earlier in the season he had handled the big load of ball carrying.

Quarterbacking chores are handled by Nickie Jackson, No. 10, who weighs 149. Jackson is a slick ball handler and the combination Jackson-to-Dallas Christian paid off well during the year.

Relieving Jackson on defense and when a safe score has been run up is Darryl Schoonmaker, No. 11, who weighs 143.

At center is big Arche Pardue Jr., No. 55. Rated as one of the best centers in the Stamford area, Pardue weighs a whopping 198 pounds. Christian, a 6'4" end, weighs 182 pounds and wears No. 84.

At the other end of the line from Christian is Charles Stenholm, No. 82, who weighs 173. At times he is replaced by J.

B. Tabor, No. 83, 162 pounds.

At tackles are Robinson and Romeo Garcia, No. 70, who weighs 166. In the guard spots are all-district Royce West, No. 60, weighing 185, and Douglas Monzingo, No. 64, at 168 pounds. West is a power on defense and has received state-wide recognition. In place of Monzingo, Stamford may use Wilbur Cox, 63, 141 pounds, or Jimmy Payne, No. 65, 150 pounds.

The starting Stamford line averages 179.4 pounds and the backfield 149.5. Canyon's line averages 174 and the backfield 161.

Stamford's colors are blue and white. The coaches are Gordon Wood, O. M. Isbel, Bill Anderson and Larry Wartes. Co-captains are Christian, Robinson and McClellan.

Stamford's season record includes victories over Quanah, 46-12; Ballinger, 53-6; Andrews, 26-13; Sweetwater, 7-6; Coleman, 40-6; Brownwood 19-7; Anson, 40-0; Nocona, 60-12; Hamlin, 26-6; Seymour, 47-0, and Perryton, 27-0.

The only common opponent that Canyon and Stamford have had this season is Perryton. The Eagles beat the Rangers 30-12, scoring 28 of their points during the second half after Perryton held a 12-2 lead during the first half.

Child Killed in Wreck

First Fatality In Three Years

A 10-year-old Canyon girl was fatally injured late Saturday afternoon and her brother was critically injured in the first traffic fatality in Canyon in more than three years.

Shirley Nall, daughter of Mrs. Vera Fay Dougherty and Frank Nall, both of Canyon, died following the accident which occurred 50 feet east of the intersection of 20th Street and Fifth Avenue at 6:20 p. m. Saturday.

Her brother, Franklin Nall, 13, is in critical condition in Neblett Hospital.

The two children, who were in the street near their home at 2004 Fifth Avenue with a tandem bi-

cycle, were struck by a car driven by Mrs. Burl Edwards Mayfield, who was driving west on Fifth Avenue, according to investigating officers.

The accident report shows that the two children were fixing the chain on their two-seater bicycle when the accident occurred. Mrs. Mayfield was apparently driving slower than the 25-miles-an-hour speed limit, the report shows.

Funeral services for the child were conducted Monday afternoon in Warren-LaGrone Funeral Chapel by the Rev. Strauss Atkinson, pastor of the First Baptist Church, and the Rev. Davis Harrell, pastor of the Cal-

vary Baptist Church. Pallbearers were Joe Byrd, Joe Gill, J. H. Barrett, Keith Poole, George D. Moore and Erwin Shugart. Burial was in Dreamland Cemetery.

Shirley was born May 15, 1946.

In addition to her parents and her injured brother, survivors include two other brothers, Murel S. Findly and Leon Findly; three sisters, Velmarie Nall and Virginia Nall and Patricia Dougherty, all of Canyon; and her grandparents, Mr. and Mrs. Z. E. Findly of Corpus Christi.

W. A. Purnell Dies in Happy

Funeral services for William Alva Purnell were conducted Sunday afternoon in the Kelton Methodist Church by the Rev. J. R. Wood and the Rev. Henry Parmenter.

Pallbearers were Buster Walser, Tom Britt, Gordon Style, Clyde Worley, Walter Davidson and Bailey Whitley. Burial was in the Wheeler Cemetery under direction of Warren-LaGrone Funeral Chapel.

Mr. Purnell, 76, died Friday about 12:45 p. m. at his home near Happy. He had been in ill health for several years.

A former Wheeler businessman, Mr. Purnell had been a resident of the Happy area since 1950.

Survivors include two daughters, Bennie Purnell, Happy, and Mrs. A. J. Ellison, Bovina; one son, R. D. Purnell, Amarillo; three step-sons, two step-daughters, four grandchildren and one great-grandchild.

Canyon Gets \$781 From Spur Game

Canyon's share of the proceeds of the bi-district game against Spur was \$781.82, according to a report from the Plainview Chamber of Commerce.

The gross receipts of the game totaled \$1,928. From that total was taken 5 per cent for the University Interscholastic League, pay for the officials and for a game ball.

Thanksgiving Gets To Canyon Thursday

Thursday is Thanksgiving for most of Canyon. Businesses and schools will be closed in honor of the holiday.

The Post Office and the First National Bank closed last Thursday and will remain open this week.

Out of Town Concerts Listed

In order that persons desiring to attend the Community Concert programs in regional cities where Canyon Community Concert members may attend, the following list of concert dates has been made available:

Plainview: Van Cliburn, pianist, Dec. 4; Chicago Civic Opera Ballet, Feb. 21; Frances Yeend, soprano, March 8; and the International Choir, Wayland College, April 16.

Shamrock: Bill and Pat Medley, piano duo, Nov. 27; Gotham Concert Trio, Jan. 31; and Tanglewood Opera Quartet, Feb. 25.

Tucumcari, N. M.: Carmen and Don Jose, Jan. 12; and Ballet and Ballads, March 30.

Clovis, N. M.: Srenaders, male quartet, Feb. 13; and Eugene List and Carroll Glenn, violin and piano, March 1.

Lions To Sell Brooms Dec. 7

The Canyon Lions Club will sweep the town with the second annual Lions Club Broom Sale Dec. 7.

In addition to brooms, the club will sell dish towels, pot holders, door mats, ironing board covers and pads and other articles, all made by blind Texans in the Workshops for the Blind.

Proceeds from the sale will go to the Workshops and to the Sight Conservation Committee of the Lions Club. Details of the sale will be announced later.

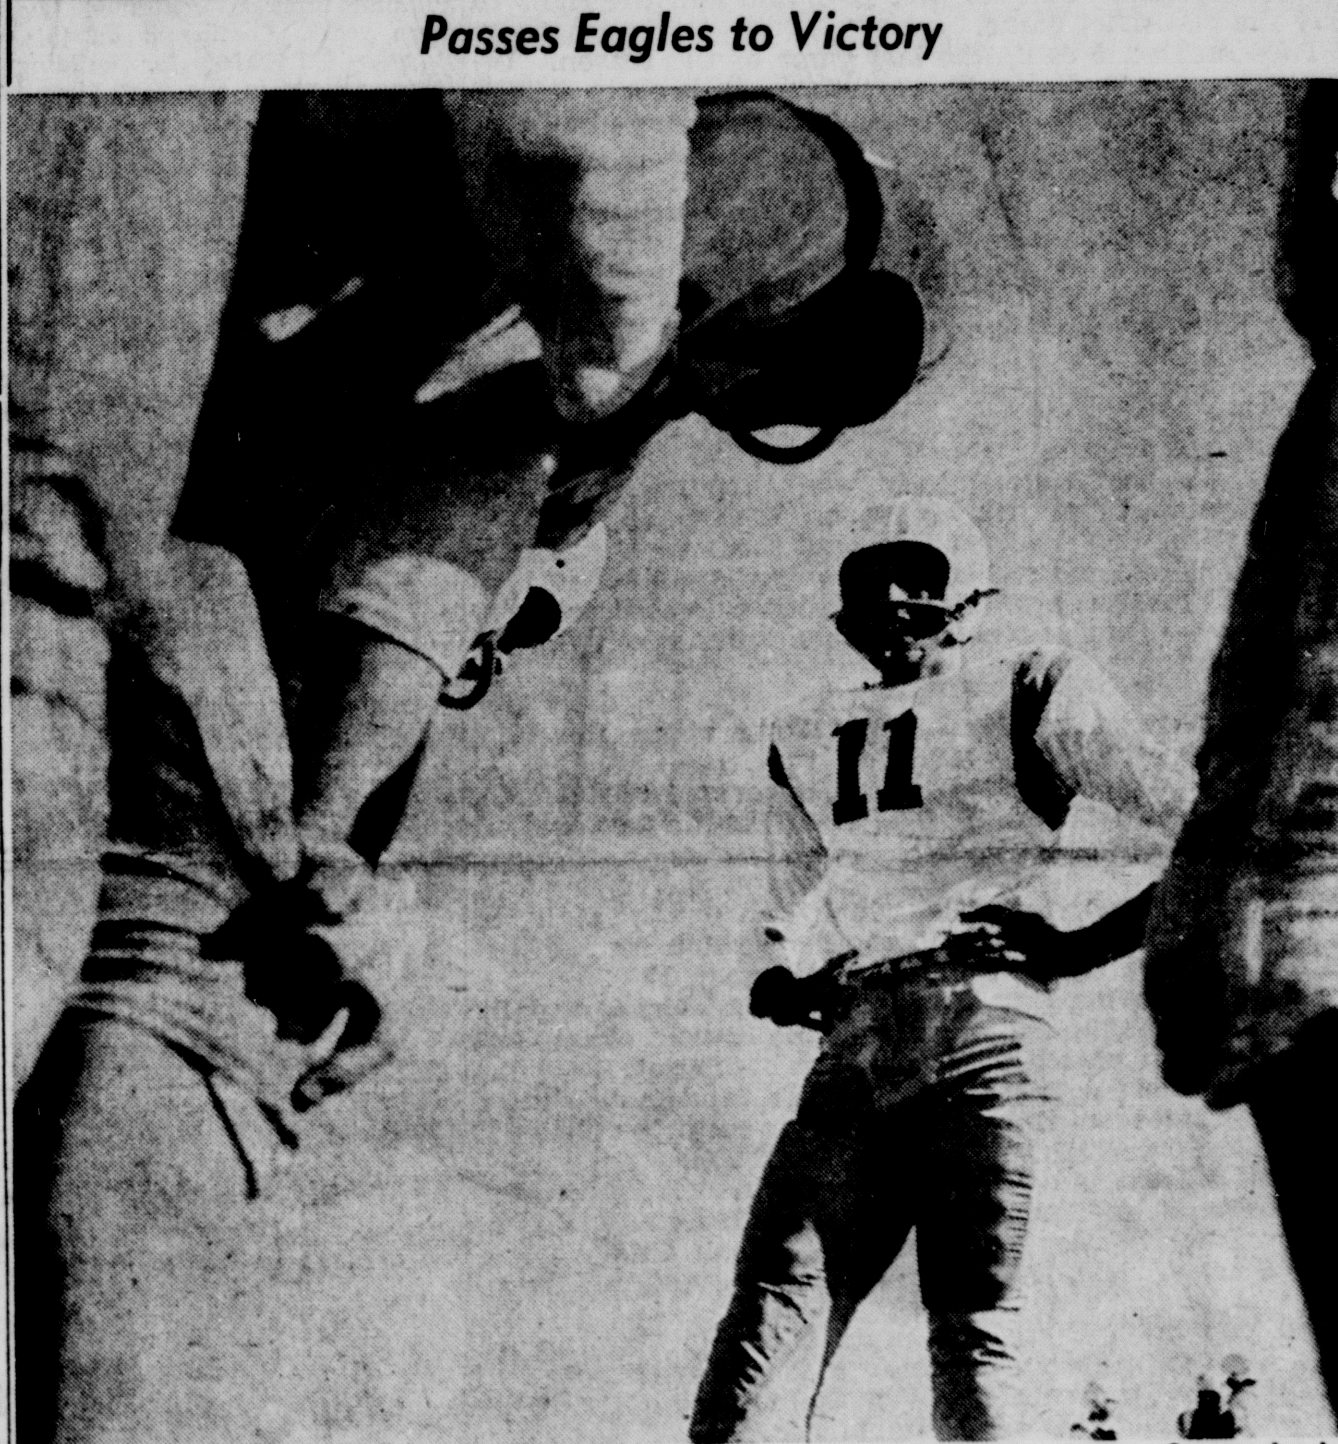

Happy-Wheeler Here Thursday

Happy and Wheeler will clash in Buffalo Stadium at 2 p. m. Thursday for the Region 1-Class B championship.

Happy won the right to play for the championship last week against Whiteface. The two teams played to a 20-20 draw in Plainview and Whiteface took the title by a 4-3 margin in penetrations.

However, Whiteface forfeited the game to Happy when it was discovered they had played an ineligible player during the game.

Wheeler took the bi-district title last week in a 7-7 tie with Groom at McLean. The Mustangs won the game by a 2-1 edge in penetra-

If it were necessary to pick the star of the Canyon-Spur bi-district game, Quarterback Charles Neblett would be the one. Neblett, who threw only 34 passes during the regular season, tossed 25 during the Spur game and connected with 11 of them, including two touchdowns. He is shown calling a play in a huddle. He kicked four of four extra points.

Black Spreads Out, Needs 15 Apartments

Roland Black needs furnished apartments for 15 families by Dec. 1.

The chamber of commerce manager received notice this week that a seismograph crew of 15 families is moving to Canyon to begin operations in this area, and they requested he help them find places to live.

The crew is coming here from Childress where they spent nine months, Black said. He said he did not know how long they plan to remain here.

Black asked for anyone having furnished apartments for rent to notify him as soon as possible by calling the chamber office, writing a post card or letter or going by the office in person.

West Texas Plays Midwestern In Non-Conference Bout Saturday

With a berth in the New Year's night Tangerine Bowl already salted away, West Texas State will attempt to make its season record 7-2 Saturday afternoon against Midwestern University at Wichita Falls.

It will be the final scheduled game for the Buffaloes, giving them a month to get ready for the Tangerine Bowl joust with Mississippi Southern at Orlando, Fla.

Coach Frank Kimbrough's squad probably will be without the services of star fullback Charley Sanders, 190-pound fullback who injured some ribs against Arizona Nov. 3.

Sanders, who scored 12 touchdowns and gained 509 yards rushing in West Texas' first five games, was used a few minutes against Texas Western Nov. 17. However, he reinjured his ribs in that game and may not see action again until Jan. 1.

In a series that dates back to 1947, West Texas holds a 4-2 edge over the Indians. The Herd scored a decisive 34-0 victory last year in a steady downpour.

Mr. and Mrs. Hamley Burrus, left Monday for Tucson, Ariz., to visit their children, Mr. and Mrs. Dennis Burrus.

Jaycees Elect Charles Parks

Charles Parks was elected president of the Canyon Junior Chamber of Commerce at an organizational meeting Tuesday night.

The Jaycees have picked a Christmas program and aid in the Canyon Youth Recreation program as immediate projects.

Other officers elected include Bill Lusk, first vice president, Wayne Wirt, second vice president, Jerry LaGrone, state director, Wayland Carman, secretary-treasurer, and members of the board of directors are Jim Bicker, John West and Bill Henry.

The Jaycees will meet at 7 p. m. each Tuesday in Don's Cafe. The meeting will be preceded by supper.

Buff Bees Beat Tech, Too, 39-20

West Texas State's "B" team, composed of all freshmen and a half-dozen upperclassmen, thumped Texas Tech's freshman eleven, 39-20, Thursday.

The young Buffs, led by freshman fullback Rex Loftis, Springlake, led 20-0 at the half and 33-0 at one time in the third period. It was the victors' third win in four starts.

Speaker

J. HOYTT BOLES

Synod Executive Banquet Speaker

Guest speaker for the annual Chamber of Commerce banquet Dec. 13 will be the Rev. J. Hoytt Boles of Denton, synod executive of the Presbyterian Church in the United States of America, Synod of Texas.

The son of Mr. and Mrs. Charles W. Boles of Amarillo, the Rev. Boles was pastor of the Presbyterian Church in Tulsa from 1932 to 1939. He was graduated from Amarillo High School, Trinity University and McCormick Theological Seminary of Chicago.

From 1939 to 1944, he was pastor of the Hemphill Presbyterian Church in Fort Worth. He entered executive work for the Presbyterian Church in 1944 and has supervised the work of the church in Texas and Louisiana.

The Rev. Boles has served as moderator of the Synod of Texas and chairman of major committees of the General Assembly of the Presbyterian Church.

Tickets for the banquet are available at the chamber of commerce. Manager Roland Black urges that tickets be obtained as soon as possible. The banquet will begin at 8 p. m. Dec. 13 in the West Texas State cafeteria.

The Mustangs had one touchdown called back during the last quarter because officials ruled that fullback Jim Porter stepped out of bounds on a 78-yard run. Wheeler lead Groom 11-9 in first downs and 191 yards rushing to 131. Wheeler threw two passes and completed one for 18 yards.

In the Happy-Whiteface game, the Whiteface Antelopes led Happy 14 first downs to 11 and 170 yards rushing to 79. Happy topped the passing column, however, throwing eight for five completions and 117 yards to eight for four completions and 95 yards for Whiteface.

Whiteface stopped a Cowboy drive with only 50 seconds left in the game. Happy scored first in the first quarter with Gary Poage going over from the one after the team took advantage of a short Antelope punt.

Midway in the second quarter, Poage intercepted a Whiteface pass on the Whiteface 40 and ran back to the 15 yard line. On the next play he hit his brother, Ray Poage, with a pass for the touchdown.

In the third quarter, Gary Poage threw to his brother again, this time for 37 yards and the touchdown.

Views and Comments

Well, sir, there's no telling what can happen to you when you take other people's word for it, instead of checking up for yourself.

Like, last week I put in a headline that Canyon has a district championship for the first time since 1931. Well, as a matter of fact, it is the first time since 1931 but it's the first time since some earlier year than 1931 because the Eagles lost out that year.

And, down in the story I wrote that this year was the first time since 1931 for the Eagles to play in a bi-district game and that the Canyon team tied with Phillips in 1950 for the championship, but Phillips represented the district.

Well, it was 1949 when Canyon tied with Phillips. And it was in 1947 when Canyon last played in a bi-district game.

That year, R. D. Wheelock was head coach and Wesley Cox was his assistant. James Bible and Lee Bailey were co-captains of the team, and Canyon was in District 2-A.

The Eagles had a good season, winning seven games and losing two during the regular season. The Eagles scored 171 points and their opponents during the regular season scored only 38.

The Eagles beat Price College, 25-0; Dumas, 19-0; Tulia, 13-6; Friona, 43-0; Olton, 27-6; Hereford, 30-0; and Springlake, 14-0. They were defeated by Muleshoe, 14-0; and Dimmitt, 12-0.

The district ended up in a three-way tie between Dimmitt, Tulia and Canyon. To pick out the district representative, the three teams drew chances. Dimmitt drew an "out," while Canyon and Tulia drew "ins."

On Nov. 21, Canyon and Tulia met for the second time during the season and the Eagles proved again they were the better team. Canyon won 12-0, and had the right to play the bi-district game.

Then on Dec. 5 came the last game of the season. Up in Perryton, with Keith Flowers (later to become a TCU star) leading the posse, the Rangers beat Canyon 27-6.

The lone Canyon touchdown came in the second half on a Tommy Hunter to Horace Carter pass.

On the 1947 team were Clifford Burtz, Austell Burrus, Standley Shaffer, Jimmy Wooten, Claude Money, Marvin Fite, Tommy Hunter, Jerre Inman, Mickey King, Billy Joe McCarter, Gerald McDuff, Golden Currie, Dick Barrett, Bobby King, Meade Michael, J. N. Pope, Bill Cleavinger, Don Hickman, Clyde Root, Joe Abbott, James Inman, Benny Woods, Jimmy Lindsey, Wayne Griffin, James Bible, Lee Bailey, Richard Walters, Horace Carter, Wayne Davis and Wayne Prichard.

As for the last time Canyon won an outright district championship, I don't rightly know. We checked the files from 1931 on, but it wasn't in any of those years. Maybe it was 1930, or some earlier year. Our copies of the paper from 1918 to 1930 are down in Dallas being microfilmed right now — Do you reckon someone around town knows for certain?

Before you get too far along talking about the 1932 team, here's what happened that year.

The Eagles defeated Vega, 24-0; Silvertown, 6-0; Claude, 6-0; Happy, 21-14; Farwell, 27-7; tied Borger 0-0; and on Nov. 4, beat Hereford, 13-7.

Later in November, on the 18th, Canyon played Hereford again for the sectional title, which was for the right to represent the section against another section for the district title. The Eagles beat Hereford again, 13-0.

On Thanksgiving Day, Nov. 24 that year, McLean really trimmed the Eagles, 52-0, and won the district championship. McLean played Spearman for bi-district.

On the 1932 Eagle team were these (and maybe more because a full-team roster was never given in the papers): Tyson Cox, Owen Miller, Leonard Brasuel, George Brasuel, "Scoop" Elliston, Austin Cone, Joe Collins, Ogden Stroud, Sewell Cox, F. A. Thomas, Wade Johnson, Johnny Wilson, Robert Black, Wesley Williams, J. M. Black, Cris Wooten, T. V. Slack, V. Hill, D. Gerald, J. Downing and C. Ellison.

Did you know there is a state law requiring cars to stop, dead still, upon overtaking a school bus stopped to load or unload passengers? Well, there is and it's probably not enforced as well as it should be.

The Canyon school district has several bus routes that go along the highways and the most dangerous is the three-lane highway to Amarillo. One day last week, one of the busses was stopped to pick up some children, and a motorist almost lived up to the law. He slowed to about 10 miles an hour, although he didn't stop completely.

That was so unusual that the bus driver commented on it later to Supt. Joe Gibson.

No one would deliberately run over a child getting on or off a school bus. But we're all taking a big chance when we zip past a stopped school bus. The busses pull completely off the highway, but the children are afoot nevertheless.

Some have to cross the highway before getting on the bus, or after they get off, and there's no telling when a child may scoot across if a school bus is stopped.

The law says that motorists overtaking a stopped school bus must stop, then may proceed at no more than 10 miles an hour. That's one law we all should comply with. It won't cost more than a few seconds in time, and it could save untold grief.

A football lineman has very little chance for recognition unless he is so outstanding that he sticks up like a cottonwood on the bald prairie. If he goes about his job in a businesslike way, stopping runs through the line, keeping the opposing passer harried and protecting his own backfield, he's a hard man to spot during the play.

But there's one good way to show when the line is doing a fine job, and that's when the opposing team is held to a few yards rushing. If the opposing team runs up great yardage, with few scores on runs, the backfield is stopping the runners.

Canyon High has had quite a good record in stopping running plays before they develop, that is, the defensive line has been doing its job.

In four games during the season, the opposition was held to less than 100 yards rushing. In another, one long run pushed the total to more than 100. And in the bi-district game against Spur, the defensive line held again as it should. With the exception of the 83-yard touchdown run, Spur was held to only 50 yards rushing.

As I remember, and I could easily remember wrong, Spur made only one run through the center of the line that counted for any yardage, and that time was for six yards.

Stamford has a string of 28 wins behind them. I'm going down to Childress to see the Eagles make sure the winning streak is behind the Bulldogs. Why don't you come along, too.—BC

Texas' 56th Legislature will have much of its work cut out for it by Jan. 8.

State agencies and public and semi-public groups by the score are busy drawing up desired changes in state laws. Almost every day brings one or more public appeals pinpointing some proposed enactment as vital to state progress.

Some want certain laws liberalized. Others want them tightened. Many departments of State Government seek new or increased appropriations.

Examples in the news:

STATE BOARD OF EDUCATION wants \$50,000 a year for the next two fiscal years for education and rehabilitation of mentally retarded.

BOARD FOR STATE HOSPITALS AND SPECIAL SCHOOLS wants the state cigarette tax providing \$5,000,000 a year for its building program continued two more years. Contingent on this, it asks \$11,000,000 for building improvements in the next biennium.

TEXAS PRISON BOARD wants some \$5,500,000 for new building and staff needs resulting from an

80 per cent jump in prison population.

TEXAS LAW ENFORCEMENT CONFERENCE wants 29 law changes aimed at updating criminal detection and trial procedures. Typical items: set up a statewide file of fingerprints of convicted felons, allow drunk driving convictions upon scientific blood tests, provide public defenders for defendants without funds, etc.

TEXAS JUNIOR CHAMBER OF COMMERCE wants to institute annual legislative sessions with annual and more substantial salaries.

TEXAS CONGRESS OF PARENTS AND TEACHERS wants a 10-point program involving improvement of the school system and teacher salaries, strengthening of laws concerning juveniles, banning of common law marriages, sale of narcotics to children and sale of fireworks.

Costly Change
At an approximate cost of \$1.00 per vote, Texans have approved a plan to aid the permanently disabled.

It was the third time in history the Legislature had fumbled its calendar in setting a constitutional amendment election. Eight amendments were taken care of with the general election. But the ninth, by error, was dated for a week later.

Confused or short of funds, nine counties held no election. Another held it a week early. In all, some 200,000 straggled to the polls. Estimated cost: \$200,000.

Under the amendment, qualified persons will receive \$58 a month, \$20 from the state, balance from federal funds.

NAACP Seeks Move
Next encounter between the state and the NAACP will be in Tyler district court Dec. 3. NAACP will then seek to have the site of future hearings changed from Tyler to Dallas or Austin.

Last month in Tyler Dist. Judge Otis T. Dunagan granted a temporary injunction against operation of the NAACP in Texas. Defendants gave oral notice of appeal. Since, the organization abandoned appeal efforts and asked for a full trial on merits. If it loses this, the injunction becomes permanent.

Atty. Gen. John Ben Shepperd said his staff already is at work preparing and that he "earnestly hopes" the trial can be completed in December. Shepperd will be succeeded by Will Wilson on Jan. 1.

Oil Boost Okayed
Texas' December oil allowable will be 3,442,592 barrels daily — an increase of 75,503 barrels a day. A 16-day producing pattern was set by the Railroad Commission, compared to 15 days in November.

Several major companies had urged 17 to 19 producing days because of disruption of supply lines from the Middle East. But representatives of Texas Independent Producers and Royalty Owners contended crisis needs

could be met with surplus oil in above-ground storage.

In announcing the 16-day pattern, Comm. Chmn. William Murray said the commission could issue a half-month emergency order later if necessary.

State Wins Tideland
State Supreme Court added to Texas' public domain in a case setting the boundary between tidal and landholder's property.

"Highest tide of the year," not "average high tide," determines the dividing line between tideland and coast land, ruled the court. In the test case Texas gained 4,986 acres of mud flats along Laguna Madre north of Port Isabel.

Eventual result, said Atty. Gen. John Ben Shepperd, will be the gaining of hundreds of thousands of acres and millions of dollars for the permanent school fund.

Tidelands, according to law, belong to the state. Income is earmarked for education.

Tax Issue Clarified
Corporation franchise taxes do not have to be figured on the rate in effect at the end of the year if the rate was lower during the year.

Third Court of Civil Appeals so ruled in a suit brought by Southland Cotton Oil Company to recover taxes paid under protest.

During most of Southland's first year the franchise tax was \$1.25 per \$1,000 taxable base. By the end of the year the rate was up to \$2.00.

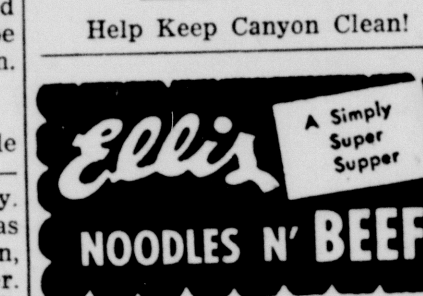

State officials contended the company should compute the entire year's taxes at the \$2.00 rate. Southland paid the full amount, but sued for recovery.

Grain Crops Skid
Texas 1956 grain crops will be substantially less than last year, but better than expected earlier.

A 28-million-bushel corn crop is forecast by the U.S. Dept. of Agriculture. This compares to 49 million bushels in 1955. Sorghum is expected to hit 98 million bushels, a drop of about one third. Rice is set at 46 million bags, a 15 per cent decline.

Even so, forecasts showed an optimistic upturn since the last estimates a month ago. Another bright spot: USDA expects citrus production to run more than 50 per cent above last season.

Spuds, Corn, Chicken On December Listing

COLLEGE STATION — Potatoes, canned sweet corn and broilers and fryers are featured on the U. S. Department of Agriculture's December plentiful foods list.

These products are in the heaviest supply in relation to normal holdings at this season in all of the trade territories surveyed in the southwest as well as on a national basis, says the chief of the southwest food and distribution division, John J. Slaughter of Dallas.

Meats and other protein rich foods also continue to dominate the plentiful list. Such holiday favorites as turkey, pork, beef, canned tuna, fish sticks, frozen haddock and ocean perch fillets, dry beans, peanut butter, eggs, milk and other dairy products are all listed as being in heavy supply.

Fruits listed for December include winter pears, dried prunes and canned purple plums.

Vegetables, other than those featured, include onions and cabbage. Rounding out the list are rice, lard and dates.

To Taste Right Then, Bake Fruit Cake Now

It's the eleventh and one-half hour for fruit cake baking! If you are planning to concote a big, luscious, moist fruit cake for the rapidly approaching holidays, you had better hurry up, for no fruit cake has that old-fashioned flavor until it has been in storage at least one month. If you begin now the cake will have to come out of storage only a few days early.

Many cooks have their own traditional fruit cake recipe from which they wouldn't change for anything. But, if you are new at fruit cake baking, or you are looking for a different recipe, here are some from the Texas Agricultural Extension Service:

Famous Old Fruit Cake

- 1 lb. grapefruit peel or citron
- 1 lb. pecans or black walnuts
- 1 lb. almonds, if desired
- 1 lb. candied pineapple
- 1 lb. candied red watermelon rind or cherries
- 3 lb. seeded raisins or currants
- 1 1/2 lb. figs, dates or apricots
- 1/2 lb. butter or margarine
- 1/2 cup fruit juice or sweet pickle syrup
- 1 cup brown sugar (well packed)
- 6 eggs
- 4 cups flour
- 1 teaspoon cinnamon
- 1/2 teaspoon cloves
- 1 teaspoon nutmeg
- 1/4 teaspoon allspice
- 1/4 teaspoon salt

Wash or dry raisins or currants. Cut grapefruit peel, candied pineapple and other fruit in half inch cubes. Leave cherries and nuts

whole. Sift flour and spices. Cream butter or margarine and sugar in another container. Add beaten egg yolks to fat mixture. Mix a small amount of the flour mixture with raisins and dates to keep them from sticking together. Add flour mixture alternately with fruit juices to the creamed fat mixture. Add fruits and nuts. Mix thoroughly. Add beaten egg white.

Grease pans. Line with brown paper to fit pan, and extend one inch above pans. Grease paper. Pack batter firmly into pans with hands to 1/2 inch of top of pan. Cover top with waxed paper and place pan of water in oven under cake. Bake in a 250 degree F. oven. Bake a 1 pound cake 2 to 2 1/2 hours; a 2 pound cake 3 1/2 hours; a 3 pound cake 4 hours. Remove waxed paper from top of cake during last 15 minutes of baking.

White Fruit Cake

- 1 cup butter or margarine
- 3 cups sugar
- 4 cups flour
- 1 cup milk
- 3 teaspoons baking powder
- 8 egg whites, well beaten
- 1 medium coconut (grated)
- 1 lb. candied pineapple
- 1 lb. citron or drained water-melon rind preserves
- 1 lb. candied cherries
- 4 cups pecans
- 1 cup almonds (blanched)

Leave cherries and pecans whole. Chop almonds. Cut candied fruit into inch cubes. Grate fresh coconut. Combine fruits and nuts and sprinkle with flour. Cream butter or margarine; add sugar gradually and beat until well blended and light. Sift flour, measure and combine with baking powder. Add flour and milk alternately to the mixture, beginning and ending with flour. Add fruits and nuts. Fold in stiffly beaten egg whites. Grease two one-pound bread

pans. Line with brown paper cut to fit pans and extend one inch above pans. Grease paper. Pack batter firmly into pans with hands. Cover top with waxed paper and place pan of water in oven under cake. Bake in 250 degree F. oven for about 2 hours. Remove cover from top of cake during last 15 minutes of baking.

Uncooked Fruit Cake

- 3/4 lb. seeded raisins
- 1/4 lb. dried currants
- 1/2 lb. dates
- 1/4 lb. candied cherries
- 1/4 lb. candied pineapple
- 2 oz. citron
- 1/2 lb. pecans
- 3/4 cup bread crumbs
- 1 cup rolled oats
- 1/2 cup grape juice
- 1/2 cup orange juice
- 2 cup strained honey
- 2 tablespoons shortening
- 2 allspice berries
- 1 inch stick cinnamon
- 2 whole cloves

Simmer fruit juices and spices 5 minutes. Strain; add oatmeal and bread crumbs to fruit juice. Cool; stir in honey and fat. Cover batter tightly and let stand over night.

Mix fruits and nuts and let stand over night.

Combine mixture and blend thoroughly. Pack tightly in paper lined pan (use wax paper oiled) or place in aluminum foil freezer containers and cover. Store in covered containers for several weeks in refrigerator.

Almond Paste Frosting

- 1 lb. almonds
 - 1 lb. confectioners' sugar
 - 3 egg whites
 - 1 teaspoon almond extract
- Blanch or skin almonds and put through food chopper; use medium blade. Mix in sifted confectioners' sugar. Beat egg whites slightly, then mix them in. Add almond extract. Because this makes a heavy and stiff paste, place it on the cake and work it into a smooth even layer with hands.

To decorate fruit cake, a few extra pieces of fruit or nuts on top scattered or in a set design may be used. Decorations should be added when the cake has almost finished cooking because fruits and nuts tend to discolor in the oven. Fruits may be added when the glaze is put on an oven-baked cake. If the surface of the cake is dry, dip the decorations in egg white or corn syrup to make them stick.

To glaze a fruit cake, brush the surface of dark fruit cakes with a mixture of molasses and water or a light fruit cake with a mixture of honey and water or egg white and water about an hour before the baking time is completed.

After baking, a cake may be stored in a cool, dark place or put in the freezer. When the cake is cooled thoroughly in the paper in which it was baked, wrap securely in a second layer of heavy waxed paper or aluminum foil and store. Fruit cakes are considered best after two to three months storage. Well wrapped fruit cakes may be kept in the freezer for one year. Do not unwrap while thawing.

NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS OF THE 18TH CONGRESSIONAL DISTRICT

Tension on the World Front

Since Nasser seized the Suez Canal, tension on the world front has developed so speedily that it has been almost impossible to follow. Each day brings more news indicating the possibility of an outright break that cannot be healed. England and France played the game so fast and loose that they took action without telling their No. 1 ally what they were going to do.

I say No. 1 ally because we are the country that has pulled the chestnuts of France and England out of the fire in two world wars and protected both countries in the police action known as the Korean War, in less than 50 years. Our own President told the American people in a nationwide broadcast that this country was not consulted about that action of moving into the Suez area by either France or England, and was not advised that those countries were intending to take that step. As I pointed out in a previous newsletter, it is difficult for me to understand what our Intelligence Agents were doing when France and England were deciding upon this move.

But actually that is beside the point. England and France took affirmative action that could well have triggered a third world war within half a century, when they failed to obtain the consent of this country to that action.

No one doubts but that if their action had triggered the third world war this country would have been called upon to shoulder the burden of furnishing most of the men, most of the machines and substantially all of the food and fiber to put the fire out.

England now tells us that she and France acted without prior notice to this country because Russia was fixing to move into the Middle East and it was necessary for France and England to beat her to the draw.

This may be true, and if it is, certainly a move that would block such action by Russia without instigating a war, would certainly be in order. But it must also be remembered that such intention on the part of Russia would be of as much, if not more, importance to this country than any other place in the world.

Therefore, England and France could not possibly justify their failure to notify this country of such a serious threat on the part of Russia, except on the ground that they did not trust this country to make the right decision under such circumstances, or else they were suspicious of the security measures of this country and were afraid that information would leak to the Russians.

Neither of these reasons would, in my opinion, have any support whatever on the basis of soundness. It would seem to me that both England and France should apologize for their actions, if not their thoughts, and openly admit that they were mistaken when they failed to confer at length with this country on these moves.

Much as Russia would like it, the Western alliance is not going to crumble even though England and France might engage in some petty practices. It would not be the first time for either of them.

This country will not permit itself to take some foolish action simply for the purpose of reprimanding one or two of its allies. England and France know this very well. They also know that this country is not going to permit itself to be badgered into another useless war simply to save the face of someone who acted hastily.

It is high time that both of these countries began conducting themselves as full grown nations and stopped acting like spoiled children. If they are going to accept all the benefits and good that this country has provided for them in the past and can provide for them in the future, it would seem to be in good order for them to give us the benefit of any knowledge they might gain as to the intentions of those countries that are allies to neither of us.

As the matter now stands there is a definite possibility of war which could become a likely probability overnight unless the matter is handled with the greatest discretion.

The Suez Canal is blocked, the Middle East oil deliveries to Europe are measurably curtailed, they could be substantially cut off by damage to pipeline facilities, Russia has committed one of the most heinous crimes against mankind in the history of the world by creating the unprecedented blood bath in Hungary, and all of these matters are now before the UN for some action. To say that the world situation is tense would be to indulge in a masterpiece of understatement.

It is tense in the Middle East, it is tense in Europe and it is tense in the Far East; only because of these several areas is it tense in the United States. This tension must be relaxed without armed conflict.

God forbid that the sons and daughters of American mothers will be called to foreign soil to again fight where so many have died before them in vain.

Buttons were first put on men's coat sleeves by Frederick the Great, to keep his soldiers from wiping their noses on their sleeves.

Four Methodists At Convocation

Four representatives of the Canyon First Methodist Church are attending the Methodist Convocation on Adult Work in Fort Worth during this week.

The convocation is being attended by more than 2,000 workers in the adult divisions of the Methodist Church schools of the Dallas-Fort Worth area. The pastor of the Canyon church, the Rev. H. Doyle Ragle, is serving as the Director of Program for the convocation.

Among the speakers for the convocation are Dr. Dwight Loder, president of Garrett Biblical Institute in Chicago, Bishop Richard Raines from Indiana, Bishop W. C. Martin from Dallas, and Dr. Gaston Foote, pastor of the First Methodist Church in Fort Worth.

A number of leaders from Nashville, Tenn., will be assisting 60 leaders from over Texas in the workshops and interest groups.

Those attending from Canyon are Mr. and Mrs. David Matthis, Mrs. Fred Scott and the pastor.

The convocation closes on Dec. 2. The Rev. Edgar A. Irvine will preach at the Canyon First Meth-

odist Church at the 10:50 a. m. service and the Rev. Noah Arnpriester at the 7 p. m. service on that day.

The evening service will be conducted by L. H. Brotherton, the Charge Lay Leader.

On Memorial Day the flag should be displayed at half mast from sunrise to noon and at full mast from noon to sunset.

Canyon-Crossing Highway

Bulldozers cut the side of the caprock into Palo Duro Canyon as the Highway Department builds a highway across the Canyon between Wayside and Claude. The new highway, which will not be finished for several more months, is east of the old Claude road, and construction is considered to be some of the toughest in the Panhandle. The work shown here is on the south bank of the Canyon.

Antic Arts Need Not Be Passive

Beginning her speech to the Sue Hite Club Nov. 26 on Leisure for Antic Arts, Mrs. Burney Slack said, "Antic arts most of us watch rather than take part in. It is true that television, theater and movies do little for the musculature, but need not be passive pastime, but can be constructive leisure pursuits."

Mrs. Slack spoke on one in a series of programs the club is conducting in a course of study, The New Leisure, adapted from a series run in Holiday magazine last spring. This study is to help club members use their leisure more constructively.

Antic arts, discussed by Holiday magazine, is a collective term for the theater, movies and television, said Mrs. Slack.

New members received in the club were Mrs. Doyle Ragle, Mrs. George de Schweinitz, Mrs. J. E. Woods, Mrs. M. D. Shepherd and Mrs. Fredrick W. Ratjen. Mrs. J. S. Kaplan from Chicago was a guest.

Hostesses were Mrs. R. P. Jarrett and Mrs. Crews Henry.

PLAY GROUP TO MEET

The Play Reading Section of the AAUW will meet Monday night, Dec. 3, at 7:30 in the home of Helen White Moore, 2202 Fifth Ave. The group will read "Bus Stop."

The Palo Duro Mothers-in-Law will meet with Mrs. Bill Money on Dec. 6 for their annual Christmas program. All members are urged to be present.

Mable Graham Is Honored at Dinner

Mr. and Mrs. Frank Kimbrough entertained Nov. 22 with a dinner at the Amarillo Country Club honoring Mable Graham, bride-elect of Lester Packer.

An arrangement of mixed mums interspersed with lighted tapers on autumn leaves was used for the table decor. Miss Graham was presented with a selection from her chosen silver.

A three course traditional Thanksgiving dinner was served to Mr. and Mrs. Walter Graham, parents of the honoree, Mr. and Mrs. Bill Osborne of Houston, Mr. and Mrs. M. E. Wilkinson of Amarillo, Mr. and Mrs. Tom Gooch, Mr. and Mrs. Nolon Henson, Dr. and Mrs. James P. Cornette, Dr. Leta Boswell, Miss Graham and Mr. and Mrs. Kimbrough.

Did you ever get all dolled up for a very special event — such as a wedding — only to discover you've picked up two gloves for the same hand? Have you ever waited until "the big day" arrives before calling for a hair appointment, only to find your favorite beauty operator too busy to take you?

And invariably some strange twist of conscience prompts you to buttonhole all comers and relay the bad news:

"Look! I forgot to change my

Insurance Discussed At November Meet

"Insurance and Liability Laws" was the topic for the program of the Woman's Book Club meeting on Nov. 21. Miss Edna Graham read a paper prepared by Mrs. S. B. Louder on insurance, and Mrs. R. A. Neblett discussed liability laws.

In the absence of the president, Mrs. L. A. Donnell, who is seriously ill, Mrs. K. E. Frieze, vice president, conducted the business meeting. Announcements were made concerning the Christmas party in the home of Mrs. Alfred Bellah on Dec. 12.

Mrs. Frieze stated that the lovely basket of bronze chrysanthemums which had been placed on the table was in memory of Mrs. Hattie Sayles Harris, mother of Mrs. A. A. Clark and Mrs. Cecil Briggs.

Members present at the meeting were Mrs. Alfred Bellah, Mrs. C. R. Burrow, Mrs. Ray Campbell, Mrs. James P. Cornette, Mrs. K. E. Frieze, Miss Graham, Mrs. J. W. Kleinschmidt, Mrs. T. B. McCarter, Mrs. Frank Morgan, Mrs. R. A. Neblett, Mrs. T. V. Reeves, Mrs. Irving SoRelle, Mrs. Louis Taylor and Miss Darthula Walker.

shoes. These old things look terrible!"

Some women habitually cut short their grooming time, not because they're indifferent to appearance but because they find other things to do up to the last minute. Then when they encounter a woman who has spent hours planning and executing her toilette, they gaze admiringly at her perfection, chide themselves for being so careless. But chances are the next time they'll repeat the harum scarum performance and appear with one earscrew missing, the wrong purse, or an unpressed skirt.

Chronic haste is just as much a habit in some as careful grooming is in others. We remember hearing a good homemaker answer decisively when asked: "Would you leave the lunch dishes or let your husband go alone if he wanted you to run a quick errand with him?" "I'd do both," she said unhesitatingly.

Perhaps efficient planning would take care of the woman who is trying to have her cake and eat it too by dressing hastily for social events rather than giving up other activities. Leaving that last telephone call until she gets home from the party, or laying out dress and accessories before the time gets pressing could allow for a life of wide activity and a feeling of being a lady, too.

Mr. and Mrs. H. C. Dawson, Cindy and Neil of Oklahoma City, Okla., and Mr. and Mrs. Lynn Dawson and Cathy of Pampa visited in the home of their parents, Mr. and Mrs. Clay Dawson, over the weekend.

Mr. and Mrs. Bible Celebrated Their Golden Anniversary Sunday

Mr. and Mrs. Cecil Bible were honored on their fiftieth wedding anniversary with a reception in

their home at 1105 Seventh Avenue on Sunday afternoon, Nov. 25. They were married in Hollis, Okla., Greer County, on Nov. 25, 1906, in the home of her parents, Mr. and Mrs. George Abbott. They started their honeymoon by moving to Hardeman County, Texas. Later they moved to the High Plains near McLean and in 1929 they moved to Canyon.

All six of their children were home to help celebrate their parents' golden anniversary. They are Mrs. Ford Bell of Lubbock, Mrs. Bill Dowdy of Amarillo, Mrs. Zudie Mae Edwards of Amarillo, Mrs. Juanita Neal of Altus, Okla., Raymond Bible of Tulsa and Horace Bible of Canyon.

Laid with a lace cloth over gold, the tea table featured a five tiered wedding cake topped with golden bells and a centerpiece made of golden mums with a heart and 50th anniversary done in gold. The centerpiece was a gift from the 12 grandchildren. Mrs. Edwards made the cake.

Sisters of Mrs. Bible presided at the table. Mrs. George Souden of Amarillo poured punch. Mrs. J. C. Salisbury of Seymour, Texas, served the tiered cake and Mrs. Roy Browning of Dumas presided at the coffee service. Linda Bible of Tulsa registered the guests.

Many golden gifts were received by the honored couple. Approximately 200 guests registered during the afternoon including Mr. and Mrs. Ben Teague of Childress, Mrs. Walter Ellis of Los Angeles, Calif., Mr. and Mrs. Harry Spray of Amarillo, Mrs. Maude Stephenson of Amarillo and Arthur Boley of Canyon, all childhood friends of the couple who were former residents of Oklahoma.

By DOVIE CHERRY

What will we call it? Should it have two names or one? Well, I can't think of anything, can you? You can't? Looks like we're going to have to get some help!

Yes, it looks like we're going to need all you readers in thinking up a name for us at The Canyon News. You've probably already thought of quite a few for us, but this time we have something different in mind—a name for this column.

We decided that this column needs a new title, but that's as far as we got. We're stumped. So, we're asking readers for some suggestions. If you think of a name, send it to The Canyon News. We'll all take a look at it, and if we like it, the person sending the accepted title will get a year's subscription of The Canyon News. Does your subscription run out this month?

Surely would appreciate your help. And, please, do hurry, those question marks make me feel like little lost Annie Rooney.

Did you perhaps see the cartoon in The Dallas Morning News that depicted the first few hours after a Thanksgiving meal? There was the carcass of what was a turkey and near it was a fellow with an over-stuffed belly (it wasn't a stomach, anything that big is a belly). This fellow was panting "like a lizard on a hot rock," as Tennessee Ernie Ford would say. The final effect was this fellow's bulging eyes turned toward the door astonished as he saw a red trouser leg with white ermine fur trim and a big black boot coming through. Guess who?

That cartoonist was saying in picture what a lot of people are thinking. It's too early for Santa

Claus. I was so disappointed when two or three weeks before Thanksgiving I saw the stores pulling out Christmas from the storage rooms. It's rather sickening. I think it detracts from the specialness of Christmas which, after all, isn't an all year round celebration. Or is it?

Here is what some Canyonites think:

Mrs. Dudley Moore Jr., "I was flabbergasted this year when I saw how early they had gotten things out. We are missing the purpose of Christmas. We get so tired of looking at the decoration and gifts. It keeps the kids anxious so long. Right after Thanksgiving, the kids want to know when Christmas is, because Santa's supposed to be just around the corner."

Mrs. Emilio Caballero, "Nothing is the way we expect it to be. It's one of those things of modern day living. We can't go back." She doesn't feel that it affects the Christmas spirit of her family. She explained they made a lot of things together and didn't do much shopping for decorations or gifts. "We are a do-it-yourself sort of family," she said.

Mrs. Caballero told me she had just heard the Christmas story done calypso. "That's something else I'm really going to have to get used to," she said. (In case you're as stupid as I, bless you, calypso is a ballad-like improvisation in African rhythm, often a satire on current events, composed and sung by natives of Trinidad, B.W.I., at an annual pre-Lent carnival.)

Mrs. Avert Lair, "Well, I like to get Thanksgiving out of the way before we start Christmas." She thinks it all right to start Christmas preparation two or three weeks before Christmas, and put the Christmas tree up a week before. (All three women said they liked the idea of buying and putting up the Christmas tree on Christmas Eve. Mrs. Moore said they did this when they lived in Kentucky.) Mrs. Lair said she thought it better to do enough preparation before so she didn't have to rush into the Christmas holidays.

A Canyon merchant: "I never wanted to put things out this early. (this is the earliest I have ever put Christmas articles out); people just force it upon you—really. Just today I had two women from Amarillo come in and say they were happy to find Christmas things out this early so they could plan their Christmas decorations."

He also explained that competition forced a merchant to begin early.

He laughed and said, "If you think you get tired of it, you ought to start buying it in June. Christmas in July, that's what we're having."

But rushing Christmas can't spoil it all for:

Christmas is coming, The folks are getting fat, But who'll want to put a stop to that?

Guess you thought I was through raving. Nope, because, boy, a bunch of us Texas gals and fellows really have a bone to pick with somebody (you know who.) And that bone isn't part of a turkey's anatomy either. No, sir, it's the fact that a lot of us didn't have any turkey anatomy to lap a lip over this year that is our gobble.

This two holiday idea that was somebody's brainchild really took the spice out of the pumpkin pie. Maybe it's not so terrible here in Canyon. A lot of families will be home this Thursday to gather around the table because nearly all the businesses here agreed to close on the same day as the one school children will be home. But right at our back door, and in many

other towns and cities there is a mess. Part of the family was home last Thursday and part will be home this Thursday.

Like I said, maybe it won't be so terrible. A lot of families may work it out so that everyone celebrated Thanksgiving one day. One firm in Amarillo decided to open one-half of each Thursday. (a help?). But maybe some won't work it out. If you had listened closely around town this last week, you might have heard:

"I don't care about a big Thanksgiving dinner now. With all this mix-up I just don't have the holiday spirit."

A mother said, "When I got a card from my mother across the miles wishing us happy Thanksgiving and telling about her Thanksgiving, it was hard to explain to my kids why we couldn't have Thanksgiving on the same day."

Or downtown last Thursday, when the other states were elbow deep in turkey and trimmings, "Happy Thanksgiving. Yeah, sure doesn't seem like it, does it?"

And there's the bad part. The Thanksgiving spirit just fizzled out. Our forefathers must be getting dizzy turning over in their graves. A traditional holiday of religious significance being stomped on like a worn-out rug.

Thanksgiving used to come but once a year, Now we never know when it's here.

If you are having your Thanksgiving this Thursday, be happy, be thankful.

Kitchen Shower Given Bride-Elect

Mable Ann Graham, bride-elect of Lester Packer, was honored with a kitchen shower Tuesday evening, Nov. 20, at 7 o'clock in the home of Mrs. Roy Harrington. Co-hostesses were Mrs. Max Bosley Jr., Mrs. Stanley Cobb, Mrs. Cleavinger, Mrs. Jerre Inman, Mrs. Dick Barrett, Mrs. Don Hickman and Chloe Ann Black.

Covered with a white silk cloth, the tea table featured a stove complimented by pom poms in brown and gold. Smoke from the stovepipe asked "What's Cookin'?" Formed on a styrofoam base, the centerpiece in yellow mums and brown pom poms spelled out Mable and Lester. Pots, pans and spoons completed the decoration.

Mrs. Nolan Henson Jr., sister of the bride-elect, presided at the tea service.

Approximately 20 guests signed the guest register.

Pastors Plan Preaching Mission

Plans were made for the annual Pastor's Preaching Mission at a recent meeting of the Canyon Pastor's Association. The preaching mission will be conducted during the first week in January.

The schedule calls for the first service on Monday, Dec. 31, and for the last service to be conducted on Friday, Jan. 4. Under the leadership of the association president, the Rev. Strauss Atkinson, the group voted to use the theme "Great Moments in Life."

On Monday, Dec. 31, the Rev. Win R. Matsler will preach on "Birth" in the Calvary Baptist

Church. On Tuesday, the Rev. H. Doyle Ragle will preach on "Conversion" in the First Baptist Church.

The Rev. T. Winston Wilbanks will preach in the First Christian Church on Wednesday evening on "Marriage." "Vocation" will be the Rev. Atkinson's subject on Thursday evening in the First Methodist Church.

The series will be conducted on Friday evening, Jan. 4, with the Rev. Davis Harrell preaching on "Death" in the First Presbyterian Church.

The Rev. A. J. Pettit, the other member of the association, will be away from Canyon that week and will be unable to take part in the preaching mission.

MRS. LON EDWARD FANNING JR.

Impressive Church Ceremony Read For JoAnn Norris and Lon Fanning

JoAnn Norris, daughter of Mr. and Mrs. J. T. Norris of Ivanhoe, became the bride of Lon Edward Fanning Jr., son of Mr. and Mrs. Lon Fanning of Canyon in a candlelight ceremony read by the Rev. Joe Eubanks, pastor, at 6 o'clock in the evening on Saturday, Nov. 10, at the Duplex Baptist Church.

Traditional wedding marches

were played by Kathleen Gopffarth who accompanied Bobbie Jean Hall who sang "Because," "I'll Walk Beside Thee" and "The Lord's Prayer" as the benediction.

The bride, given in marriage by her father, wore a ballerina length chantilly lace gown over white satin. The fitted bodice was fashioned with long tapered sleeves and a scoop neckline. The bouffant skirt was made with an overskirt of tulle and satin with a scalloped hem line. Her fingertip veil of illusion fell from a crown of tulle and seed pearls. She carried a bouquet of gardenias carried atop a white prayer book and showered with blue satin streamers.

Mrs. Jerry Norris, sister-in-law of the bride, was matron of honor. Nedra Fanning, sister of the bridegroom, was maid of honor. Both wore identical blue taffeta ballerina length gowns with blue tulle overskirts, fashioned after the bride's dress. They carried colonial bouquets of white carnations tied with white satin streamers.

Lonnie John Jaynes of Bonham served his cousin as best man. The groomsman was Jim Fanning of Canyon, brother of the bridegroom. Ed Leake of Canyon and Jimmie Norris of Ivanhoe were ushers. Candlelighters were Jerry Norris and James Ray Hewitt of Bonham.

Mrs. Norris, mother of the bride, chose a navy blue cotton and silk gown with gray accessories. Mrs. Fanning, mother of the bridegroom, wore a sailor blue silk with white accessories. Their corsages were of white carnations.

Immediately following the wedding, a reception was held in the home of Rev. and Mrs. Eubanks. The bride's table, laid with an imported linen cloth overlaid with white net, featured blue ribbon streamers tied in love-knots extending to the corners of the table.

Presiding at the bride's table were Mrs. Eula Giles, Miss Peggy Holland, Miss Macy Nichols and Mrs. Mary Eubanks. Miss Erlene Brown of Dallas presided at the guest book.

Mrs. Fanning traveled in a two-piece beige wool knit suit with cocoa brown accessories and her gardenia corsage. She was graduated from North Fanning High School as salutatorian of the 1956 class. Voted the most popular girl of her class, the bride was active in several clubs and has been actively associated with the youth work in the Baptist church of which she is a member. Since graduation, she has been employed at the ASC office in Bonham.

Mr. Fanning attended Bonham High School and was graduated from Canyon High School in 1955.

After a short wedding trip to the Gulf Coast, the couple is at home in Houston where the bridegroom is employed.

I GIVE YOU TEXAS By BOYCE HOUSE

"Bet-a-Million" Gates died more than 40 years ago but there are a few men still living in Port Arthur who knew him.

More than any other man, he is responsible for transforming Port Arthur from a town into a city. His chief contribution was getting the Federal Government to build the channel, which made it truly a port. He also was one of the two chief founders of what is today the Texas Company, one of the biggest oil companies in the world, and one of its properties is a huge refinery in Port Arthur, employing thousands.

Gates gave the city a library, a hospital and a college.

As you may have gathered, he was a very rich man. In one Wall Street coup, he made \$12,000,000.

They tell a story in Port Arthur about a poker game in which Gates was a player and another player was an employee of his. This man lost what for him was a sizeable amount — perhaps \$40. He said later to a man who knew Gates well, "Do you think he expects me to pay him?" The other said, "I think he does." So the employee offered Gates the \$40 and Gates took it.

A citizen told me that when he was a young traveling salesman, he entered a store where Gates and several others were tossing silver dollars at a crack. The drummer figured he could afford to lose a dollar, so he invited himself into the contest and he won. Gates and each of the others hand-

ed him \$20!

But that was small stakes for Gates. "Bet-a-Million" was no empty phrase. He'd bet you whether a bird in a tree would fly left or right or, if it was raining, you could select a raindrop and he'd choose one and he'd wager that his raindrop got to the bottom of the window pane first—you name the amount.

Another Port Arthur citizen told me about a meeting of a committee of which Gates was chairman. The citizen was five minutes late. Gates drew out his watch and said, "Young man, you have cost 14 men five minutes each—that's 70 minutes."

A saying of his was that he would not go into any enterprise unless he could own at least a 51 per cent interest.

Gates imprinted his name indelibly in the memory of Port Arthur.

Abilene State Hospital Asks for Presents

The Abilene State Hospital is in need of gifts to present to patients on Christmas Eve night. The hospital asks that the gifts not be gift wrapped, but wrapping may be included.

Billfolds for men and women, soft houseshoes, print dress material, toiletry sets for men and women, gowns, boxes of stationery, cotton and silk hose, cigarettes, pipe and tobacco sets; bath powder, and warm sport shirts were recommended. Many gifts may be bought at wholesale prices at the hospital if a cash contribution is sent. All checks should be made payable to the Abilene State Hospital Auxiliary.

Packages must be sent by Dec. 10. A box will be at the Canyon News if anyone wishes to donate gifts or used clothing.

Lovegren Circle Has Two Meetings

The Lovegren Circle of the First Baptist Church met on Nov. 6 with Bobbye Carter. Each member read a scripture and discussed it.

The Christmas project will be to send a box of food to the Indians at Shiprock, N. M., to the missionary, Ted Trent. A box of clothing has already been sent. Ten members were present at

the meeting. On Nov. 20 the group met with Dorothy Lawless. Mrs. J. W. McCulley gave the Bible study. Six members attended the meeting. The next meeting will be Dec. 4.

Canyon Who's Who

These four Canyon students are among 30 students named to represent West Texas State College in the 1956-57 edition of "Who's Who Among Students in American Universities and Colleges." They are Raymond Haddock, left, Mrs. Pat Hearn, Mrs. Dana McDowell and Ted C. Briggs.

Hearn, McDowell, Briggs, Haddock Chosen as Members of Who's Who

Four Canyon students were among 30 juniors and seniors at West Texas State College chosen to represent the college in the 1956-57 edition of "Who's Who Among Students in American Universities and Colleges."

Those chosen were Mrs. Pat Hearn, Mrs. Dana McDowell, Ted C. Briggs, and Raymond Haddock.

The honor is bestowed annually upon WT's outstanding upperclassmen, and students are selected by an honors committee from among more than 100 nominated by departments, clubs and organizations.

Daughter of Mr. and Mrs. E. W. Woods, Mrs. Hearn is a business administration major at West Texas State. She plans to teach following graduation. She is a member of Mary E. Hudspeth, Future Teachers of America, and treasurer of Alpha Chi.

Mrs. Dana McDowell, daughter of Mr. and Mrs. W. L. Rice, is majoring in Spanish. She plans to teach Spanish and speech after graduation. She is a member of

Alpha Chi, Buffalo Masquers, and Future Teachers.

Son of Mr. and Mrs. Cecil Briggs, Briggs is a chemistry major. He plans to attend graduate school after graduation. He is a member of Mary E. Hudspeth and Alpha Chi.

Raymond Haddock is a chemistry major. Son of Mr. and Mrs. C. W. Haddock, he plans to become an industrial chemist. Haddock is a member of Alpha Chi, advanced corps of Cadets, is regimental sergeant major and is Assistant Scoutmaster and Eagle Scout in Boy Scout Troop 66, Lodge Chief of Palo Duro Lodge of The Order of The Arrow, and Area IV Chief.

Jowell HD Dinner Set for Dec. 12

Plans for the Jowell Home Demonstration Club Christmas dinner were made at a meeting Nov. 21. The dinner will be given at Mrs. E. C. Robinson's home on Dec. 12. Members and their families are invited.

Plans were also made for an all day meeting with Mrs. Les Raymond. Members will work on aluminum trays.

Mrs. Mona Hildreth, HD agent, gave a demonstration on remodeling old felt hats. Members answered roll call by giving ideas for Christmas gifts.

Refreshments of chocolate cake and coffee were served to Mrs. Hildreth, Mrs. G. A. Dietz, Mrs. Arthur Cavness, visitors, and Mrs. Ray McDonald, Mrs. T. J. Bonds, Mrs. E. C. Robinson, Mrs. Raymond, Mrs. F. E. Culp, Mrs. I. L. Bauer, Mrs. Earl Davis and the hostess, Mrs. Jimmy Dietz.

WSCS Announces Christmas Bazaar

Gifts for all the family and various baked goods will be featured Dec. 8 at a pre-Christmas bazaar sponsored by the Woman's Society of Christian Service of the Methodist Church. The bazaar will be in the Truitt-Townsend Ford building.

Mrs. George Hill, publicity chairman, says the money contributed will go to a worthy cause beginning at home and then to further Christian work around the world.

Pie, cake and coffee will be served all day.

Sports Picture Shows Roundball

Basketball nudges into the sports picture at West Texas State this weekend with Coach Gus Miller's Buffs opening the season against a national champion—McNeese State of Louisiana.

McNeese, winner of the NAIA 32-team tournament at Kansas City last spring, and West Texas will square off at 8 p. m. Saturday in Buffalo Fieldhouse.

McNeese's celebrated All-American and national scoring leader last year, Bill Reigel, is gone but Coach Ralph Ward has two returning starters from the great 1955-56 club. They are Frank Glenn, 6-3, 210-pound rebound artist, and Charles Decker, 6-1 set-shot ace.

A new face for the Pokes will be Stan "Snooky" Kerman, 6-foot star just out of the Navy and a member of the Armed Forces team in the Olympics Try-outs.

Two of West Texas State's three top scorers last year will be back this term. Both are from Borger and they will team at the guard spots this year.

Jump-shooter Rookie Rogers made All-Border Conference while averaging 17.2 points and Allen Simpson, a converted forward, scored at a 15.8 clip as a sophomore in 1955-56.

When it invades Texas, McNeese will bring a 19-game winning streak, the longest in Louisiana basketball history. West Texas had a 12-10 record last season, finishing in fourth place in the Border Conference.

After the home opener against McNeese, West Texas will depart on a four-game road trip through Kentucky and Tennessee. The Herd will play Ohio Valley Conference teams Middle Tennessee, Dec. 4; Tennessee Tech, Dec. 5, and Murray twice, Dec. 7-8.

Give Tickets Now For Angle Park

Enforcement of parallel parking on Fourth Avenue east of the highway and along the highway began about a week ago, and about 50 courtesy parking tickets have been issued to violators.

From now on, tickets which will be issued to violators will be for real, and will require the violator to appear in city court.

Chief of Police Ralph Pray said drivers have been cooperative about parking parallel in the new areas, and the plan is working quite well.

At a special city commission Monday, work was begun on providing parking spots for busses near The Pharmacy and the Buffalo Drug, the two bus stations in Canyon.

One plan presented called for reserving a 60-foot space on the south side of Fourth at the intersection of 24th and Fourth for busses at the Buffalo Drug, and for a 60-foot space to be reserved in the center parking area in front of The Pharmacy.

City Secretary Andrew Boggs said the spaces might not be the final bus-parking areas selected, however.

The problem of bus stops and the enforcement of parallel parking came about because of a new municipal maintenance agreement signed by the city and the state highway department. The highway department has asked for several years for parallel parking on state-maintained highways, and the city commission decided to comply with the agreement.

Eagles Take Bi-District in 28-13 Victory

Doing a complete about face, the Canyon Eagles turned from a running team to a passing team and won the bi-district title by downing the Spur Bulldogs 28-13 in Plainview Friday night.

The Eagles met Stamford Friday in Childress for the regional playoff.

During the entire regular season, quarterback Charles Neblett threw only 34 passes and completed 12. When the ground attack went slow in Plainview, Neblett took to the air and threw 25 passes, completing 11 including two for touchdowns.

Halfback Harlie Adams, the Eagle running and scoring stand-out, was held to only 53 yards on the ground, but collected four passes for 51 more yards and scored once on a run.

Ends Larry Brandon and Leonard Miller were almost twins on pass receiving. Both caught two passes, one each for scores, and made almost the same yardage. Brandon picked up 48 yards passing and Miller made 47.

A. L. Pruett, running at halfback, provided the first touchdown for the Eagles on a 32-yard pass interception toward the end of the first quarter.

Canyon made more yards on passes in the game against Spur than in any other game this year. They made a total of 111 yards on the ground and 173 on passes. The Eagles tried 39 running plays and 26 passes, one by Pruett.

The game started with a fairly strong north wind that died somewhat before the game was over, but the wind failed to slow down the Eagles flight.

After the Bulldogs picked up an even one yard on three plays, James Gordon kicked to the Canyon 26 and Pruett ran back to the 33. Don Britain lost one yard and Spur was penalized five on the second play. Adams picked up four yards to the 41 then one to the 42. Pruett kicked to the Spur 21.

The Bulldogs worked the ball back to the 31 and Gordon kicked again to the Canyon 32. Pruett was stopped on the 45, and the Eagles settled down to move into Bulldog territory.

Adams carried four yards to the

49, but the Eagles were penalized five yards on the second play for backfield in motion. Neblett tried his first pass of the game, then Spur was penalized for offside to put the ball back on the 49.

Pruett took off on the next play, crossed the mid-stripe and lumbered to the Spur 37. He lost four yards on the next play, but Neblett ran to the 34. Adams picked up one yard and the Eagles needed six yards for a first down. Neblett ran for five of the six, but the ball went over on downs on the 28.

On the second play from scrimmage Gordon threw a pass and Pruett snaked the ball in on the 32. He ran from there across the goal line for the first score of the game. Neblett's extra point kick was good, his first of four good kicks, and there was 3:11 left in the first quarter with the score 7-0.

Taking the kickoff on the 15, Ray Powell ran back to the 22. A backfield in motion penalty set the ball back to the 17, and the longest run of the game came up.

Powell took the ball from center, rolled out to his left and ran the 83 yards to the goal line for the first Spur touchdown, only 48 seconds after Pruett scored. A penalty for taking too long in the huddle put the ball on the seven for the extra point, but Gordon kicked true to tie the score.

Spur kicked off to the goal line, but Adams ran the ball back to the 16 before being tackled. Britain ran to the 24, Adams lost two back to the line of scrimmage and Pruett ran for a first down on the 33.

Neblett tried his second pass, then kept the ball and ran to the 36. Canyon was penalized for delay of the game, and Pruett tried his only pass.

Pruett kicked out of bounds on the Spur 43 to end the quarter.

Max Gabriel carried twice for Spur, losing two and picking up four then Gordon carried to the 47. He kicked and the ball went dead on the Canyon 28.

Adams carried to the 31, lost one to the 30 and Neblett connected with Adams for the first good pass of the game. Adams went to the 45 for a first down.

On the next play, Neblett carried to the 48, but the Eagles were penalized back to the 26 for clipping. Pruett lost 1 yard, then Neblett started a keeper-rollout to his right side. Being tackled right about the line of scrimmage, Neblett lateralled back to Adams, but misjudged the pitch and threw behind Adams. The ball was recovered by Spur on the 20.

On the first play, Spur was penalized to the 35 for holding and then Beeson carried twice, putting the ball on the 30. Powell was thrown for a loss, back to the 42 and Gordon kicked to the 11.

Pruett took the ball and ran back to the 25. Neblett tried a pass, then was caught for a two yard loss. Adams carried to the 24. Slowed by a bad pass from center, Pruett's kick was blocked and recovered by Tackle David Morgan on the 15-yard line.

Powell lost four yards, Gordon made six, Gabriel made one and Gordon lost three, giving the Eagles the ball on the 15, at the same place they lost it.

Neblett carried to the 23, then for a first down on the 27. Adams picked up three and Neblett tried a pass. On the next play, he connected with Miller for 14 yards and a first down.

The clock was running down faster than the Eagle fans would have liked it to. Neblett tried another pass then Adams gathered one in for a run to the Spur 36.

Neblett's next pass was incomplete, but Spur cost themselves five yards to the 31 for too many time-outs. With less than five seconds left in the half, Neblett threw behind the Spur defense to Brandon, who was standing on the two.

Brandon took the pass in his arms when the clock showed one second and backed the remaining two yards to the end zone. There was no time left, but Neblett kicked the extra point to give the Eagles a 14-7 lead at half-time.

Canyon kicked off again to start the second half and Spur took over on the 29. They moved the ball to the 35 in three plays and Gordon kicked to the Canyon 32, where the ball rolled dead.

Boydston ran to the 34, Pruett

to the 35 and Neblett threw to Pruett on the 50. Pruett ran to the Spur 43 for a first down. Pruett ran again, this time to the 31, but the play was recalled to penalize Canyon to their own 42 for holding.

Neblett tried two incomplete passes, and then threw to Adams who was spilled on the line of scrimmage for no gain. Pruett kicked to the Spur 15.

A holding penalty put Spur back on their own one, but Gabriel ran to the nine and Hairgrove to the 19 to get out of immediate danger. After another play with no gain, Gordon kicked to the 48 where the ball went out of bounds.

Neblett threw a pass, but it was incomplete. Adams ran to the 38, and Spur was penalized to the 33 for being offside, giving the Eagles a first down.

Neblett tried another pass, but on the next play he connected with Miller, standing just outside the end zone for the third Canyon score. Neblett's kick was good to make the score read 21-7 with 4:36 left in the third quarter.

Spur took the kickoff and worked the ball from the 27 to the 44 on six plays before Gordon kicked to the Canyon 20. Pruett took the ball, started a runback, then lateralled to George Snapp, who ran back to the 41.

Neblett tried a pass, then connected with Pruett on the Spur 49. He threw to Adams who ran to the Spur 37 for a first down. Canyon was penalized back to their own 47 for clipping, but Neblett threw to Brandon to pick up one more yard than they lost. The play ended the third quarter.

Taking off from the Spur 36, Adams ran to the 27, to the 7 and Neblett tried a pass that was dropped at the goal line. Adams took the ball over the goal for

the fourth touchdown of the game, his 22nd for the season. Neblett's kick was good to make the score 28-7 with 10:39 left in the game.

Spur ran the kickoff back to the 34, lost yardage for two plays and worked it back to the 33. Gordon kicked to the Canyon 35.

Neblett threw a pass, then Boydston picked up one of Neblett's passes, practically on the ground, but the play lost three yards. Neblett tried another pass, but Pruett went back to kick on fourth down. A bad pass slowed him down so that the kick would be blocked, so Pruett ran with the ball, losing five yards.

Powell tried a pass and Hairgrove fumbled on the 27. John Robert Wheelock recovered for the

Eagles, Neblett threw a pass that was intercepted by Powell on the Canyon 45. He ran back to the 42. Powell lost three yards, then ran to the 26. Spur was penalized to the 31 for delay of the game and Powell fumbled on the line of scrimmage. Wheelock recovered again.

Neblett lost two yards, Adams lost six, the Eagles were penalized for too much time, and Canyon was back on their own 18. Neblett threw a pass that was intercepted by Gabriel on the 28. He ran it back to the nine. Gabriel carried to the seven, to the five, then Gordon picked up the last yardage for the second Spur score. His kick was no good.

With 2:14 left in the game,

Adams ran the kickoff back to the Canyon 35, and the Eagle reserves were put into the game. Huyck picked up one yard and Snapp carried twice for a first down on the 47. Crow was stopped at the line of scrimmage, Huyck made two and Canyon was penalized for delay of the game. Pruett carried for one yard to the 45, then dropped to his knees on the next play as the clock ticked to zero.

Statistics of the game were:

	C	S
First Downs	14	4
Yards Rushing	111	142
Passes Tried	26	3
Completed	11	1
Yards Passing	173	1

TELEPHONE TALK

by W. L. Leavy, Manager

KING - SIZE TELEPHONES

Imagine your surprise if the telephone set in your home or office actually grew in size every time another telephone was added to the number you can reach with a local call!

Naturally this doesn't happen, but I brought it up to point out how much your telephone service really has grown in value in recent years.

Today you can reach more people by telephone — your friends, neighbors, and the shops and stores around town — than you have ever been able to before. This means you can run more errands, do more things by telephone.

To me, that adds up to your telephone service being a bigger value today than ever before. And I think you'll agree that it will be an even bigger value tomorrow as we continue to put more and more telephones in service in Canyon.

GO HOME BY TELEPHONE

Thanksgiving, a real "family holiday," is with us. And I guess we'd all like to be home to share the turkey, trimmings, and just plain "get-together" talk.

For some of us, however, it's impossible to be there in person. But you can still be a part of the family's Thanksgiving Day with a Long Distance call home.

Why not plan now to make a call and be part of the family group? The cost is low, even lower if you call Station-to-Station. And remember to call by number — it's twice as fast.

MARKED INCREASE IN TELEPHONES

With the completion of several new homes in November came an increase of 14 telephone lines in Canyon.

We're counting on the growth continuing on through 1957.

WIFE'S OFFICE?

Sure, the kitchen is your wife's office. What better Christmas gift could you get her than a colored telephone in her office. It will save her hundreds of steps a day.

Call by number. It's twice as fast.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The High Plains of West Texas are becoming drier and drier. As a result more farmers are turning to ways of conserving irrigation water. One method of conserving irrigation water is the use of pipelines.

Pipelines conserve water by eliminating seepage and evaporation. It also allows you to put your well where the best water supply is located.

Technicians of the Soil Conservation Service assisting the Randall-Potter SCD have helped the following farmers install pipelines on their farms through the Agriculture Conservation program: David K. McGehee, J. Ross French, Luther E. Mason, Frank J. Grabber, Carl K. Arnold and Julius T. Goettsch. Also an excavated pond was dug on J. W. Spencer's farm.

"Top Soil and Civilization" is the title of a new book, published by the University of Oklahoma Press well worth reading by everyone.

This book describes the increase of population and the growth of civilization, with the consequent need for more cropland, and the depletion of the top soil of that same cropland, in nearly every part of the world.

One copy of this book is now available at the Randall County Public Library in Canyon.

To have good neighbors, be a good neighbor. To be a good neighbor keep your farm from blowing on your neighbor.

Mr. and Mrs. Lee Chandler of Borger and L. E. Thomas Jr. of Perryton spent Thanksgiving in the homes of Mr. and Mrs. W. H. McAtee and Mr. and Mrs. C. N. Tippery.

HAPPY

in evading the Awards Rule.

It is suggested that in all cases where outside organizations desire to present trophies or plaques, they be given to the school with the boy's name engraved on the trophy and then placed permanently in the school trophy case. Possession must remain with the school, and the school cannot hold the trophy until the boy graduates and then present it to the boy without violating the Awards Rule.

Experience has shown that it is much better to have the trophy presented to the school with the boy's name on it, as it can be seen for years, while if given to the boy it soon rests in the attic and gathers dust. Most organizations will agree readily to such a plan for presenting outstanding awards in this way, and it can be done without violating the Awards Rule, and at the same time give the boy educational recognition for his ability.

It is not enough for principals and coaches to know these rules. They must see to it that the information reaches players, fans, and local organizations. In fact, practically all of the violations of this rule in Texas have resulted from well-meaning fans and clubs which have persisted in giving plaques and trophies to various members of athletic teams for individual achievement. It is the responsibility of the coach and the administrator to see that these fans and organizations are informed about the Awards Rule.

In my opinion, most of these awards from individuals and clubs would cease if the name and picture of the individual or club giving the award was omitted from press releases. Many of the individuals and organizations are more interested in publicity for themselves than in the educational aspects of high school athletics.

Many school administrators have the idea that a school can accept an award for an individual player and hold it for him until he graduates and then present it to him. This is a violation of the Awards Rule and could result in the suspension of the school accepting such an award. District Executive Committees cannot give awards to all-district teams or individual awards without violating this rule.

A school cannot pay part of the price of an award, with the student paying the remainder, in order to purchase an award in excess of the amount prescribed in the Awards Rule. The school cannot act as a purchasing agent or as an advisor in the purchase of any award by the student or parent when the award is purchased for achievement in inter-school competition.

The Awards Rule is binding on all member schools of the League, regardless of the type of athletic competition, or whether the activity is sponsored by the League or not. If it is inter-school competition, it falls under the scope of the Awards Rule.

The League has, and will, exert every possible effort to preserve and promote a high standard of amateurism in its athletic program. It is operating on the premise that the presenting of material rewards to players for athletic achievement is non-essential and, if not rigidly controlled, would oftentimes place a heavy financial burden on the school and the community.

We believe this position to be educationally sound and we urgently request the cooperation of principals, coaches, citizens, and clubs in maintaining it. Let's keep in mind that, in either case where violations occur, the boy or the school is usually the loser.

A Sport Reports

By DICK KRANZ

The last big weekend of college football comes up Saturday and all the post-season bowl speculation will be over. The high school scene already is involved in post-season playoffs and District 1-AA still has its champion in the running for the state crown.

Canyon's Eagles, carrying the District 1-AA banner, is one of 16 Class AA teams remaining in the state chase but the Eagles will be confronted with their toughest test Friday afternoon.

Coach Guy Harrison's Eagles, with a 9-2 record, will play the defending Class AA champions, the Stamford Bulldogs, undefeated in 11 games, at 2 p. m. Friday at Childress.

Stamford bumped Perryton, 27-0, while Canyon bested Spur, 28-13, to gain bi-district honors. The Eagles will be the underdog, but certainly the Eagles are rated a good chance of upending the mighty Bulldogs of coach Gordon Wood.

The television diet is almost as big as the Turkey Texas Thanksgiving celebrants will eat Thursday. Heading the list Thursday afternoon will be the Texas-Texas A&M game at 1:45 p. m. over KGNC-TV. Then Friday night, the battle for the world Leaveweight championship between Archie Moore and Floyd Patterson will be televised by KGNC-TV.

The Army-Navy game will be carried, starting at 12:15 p. m. Saturday, by KGNC-TV. Then the Green Bay-Chicago Cardinals professional football game will be carried at 1 p. m. on KFDD-TV.

That's an attractive slate for television sports fans, one of the most active sports TV weekends.

West Texas State, with the Tangerine Bowl invitation tucked in its pocket, will attempt to show the committee it didn't make a mistake by whipping Midwestern Saturday afternoon at Wichita Falls.

If the Buffaloes can defeat Midwestern, they will have a 7-2 record which would be almost identical to the 7-1-1 mark posted by their tough opponent Mississippi Southern. The Southerners' only loss was to Florida State, 20-19, and they were tied 13-13 by Alabama last weekend.

The teams will meet the night of Jan. 1 in Orlando, Fla., in the first game a West Texas State football team has played east of the Mississippi River.
